You know there's something about getting alone to yourself. Many people never pray until they come to church. Many people think that the only place to pray is at church, but the Bible said for men to pray everywhere, lifting up holy hands. And then when we get by ourself, we'll usually pray different than what we would if we prayed in church. It's the secret prayer that Jesus spoke of, saying, "Enter ye into a secret closet, and close the door, and when you have did so, pray to your Father Who sees in secret; and He that seeth in secret shall reward thee openly." And when we're praying like that, there seems to be something to the prayer that takes all the hypocrisy out of it. It seems like that we get in a better connection with God, to get alone. And there's been many times in my life, as perhaps in your life, that you just have to get alone once in a while with Jesus. I've took my car and drove down the road and just studying. After I got to the highway where it was free, or off on some country road, till I would become so filled with His mercies and goodness, till I'd just stopped the car and held the wheel and wept like a baby. That being alone... Many times I've climbed up into the mountains. Where every man thought (was with me), I was going hunting. Go up there, and set down on a rock, and just look up to the sky until looked like that my whole innermost being become filled with something that you could just feel... Oh, everything of the world seemed to pass away. Oh, for those precious hours alone with God. And it's there that when the greatest revelation and inspiration comes, is when we're alone with God. We'd take more time on that, I'm sure, that we would live a better life, more victorious life in Christ.
