Brother Branham said...

Moses had about two million people with him. He had little children. He had old men, old women. He had cripples, and blind. Babies were born, thousands of them, in a week's time. And Moses, Dr. Moses, was out there in the wilderness with all these people. I'd like to look into his medicine chest, wouldn't you? I'd like to see what Dr. Moses had in the medicine chest. Let's us just take a little peep over in the medicine chest and see what he had.

"Moses, why, what'd you have in there, Moses?" Why, we find out that when all that forty-years journey, over two more million babies was born. That's right. "What did you use, Moses? What did you use for all those hurts and aches and cancers, and blindness, and deafness, and dumbness? Why, they tell me, that when you come out of the wilderness, there wasn't a feeble one among them." Say, wouldn't some of these doctors like to look into that, that medicine cabinet?

"And another thing, Moses, what did you sprinkle on those people, till even their clothes didn't wear out? Their shoes never wore out, walking on those rocks." If you ever been there, you know what the desert looks like; they wear out a pair of shoes in three days. And they never even wore one speck of the leather off of them in forty years. "Moses, what was in your medicine chest?"

Let's look into it. I see him, "Got one prescription, 'I'm the Lord that healeth thee.'" That settles it. Amen.

Said, "Oh, Moses, my father has been over here, he's just fell and broke his leg. What have you got for him?"

"Let me look and see. 'If thou will obey My voice, do all I command, I'll put none of these diseases upon you, as the Egyptians, for I am the Lord that healeth thee.' Tell him that." He got well. Amen. That's right.

"Oh, he's seriously sick. My baby has got the colic, or the pneumonia, so bad, Dr. Moses, what can I do?"

"Let me see what I got. 'I'm the Lord that healeth thee.'" That settles it. Amen. Away they went (That's right.), going on, rejoicing. That's all he needed, "I'm the Lord that healeth thee."

Out of six hundred and something, definite promises of Divine healing in the New Testament alone, and yet we question God tonight. What will the judgment mean for us?

**Does it hurt when people
don't trust you?
Imagine how God feels**

And when they came to Marah, they could not drink of the waters of Marah, for they were bitter: therefore the name of it was called Marah. And the people murmured against Moses, saying, What shall we drink? And he cried unto the LORD; and the LORD shewed him a tree, which when he had cast into the waters, the waters were made sweet: there he made for them a statute and an ordinance, and there he proved them, And said, If thou wilt diligently hearken to the voice of the LORD thy God, and wilt do that which is right in his sight, and wilt give ear to his commandments, and keep all his statutes, I will put none of these diseases upon thee, which I have brought upon the Egyptians: for I am the LORD that healeth thee.
