Brother Branham said...

I love the Word, don't you? And you know why you love the Word? You have the Holy Spirit in you. For the Bible said that man does not live by bread alone, but by every Word that proceedeth out of the mouth of God. So the Holy Spirit feeds on the Word. And then when you hear the Word...Everyone wants to hear It, no matter...Every little piece of literature they can pick up, they read it. And they listen to the radio, and they go to church and so forth, because they are longing for that fellowship around the Word.

And may God help us tonight to realize how we can have a perfect fellowship. No matter where storms come, whether you're right or wrong, you can still have fellowship. And only way you can have fellowship, as your love perfects. Don't never forget me. If I don't see some of you no more, remember this: That my theme is "love covers it all." I believe in the redeeming love of the Lord Jesus. I like this song.

*E'er since by faith I saw the stream
Thy flowing wounds supply,
Redeeming love has been my theme,
And shall be till I die.*

I'd rather have a church...Listen, just a moment. I would rather have a church that knows nothing about any spiritual gift, and just be so in love with each other and with Christ, I'd rather have that than every spiritual gift operating in the church. Now, that might sound hard in a Pentecostal group, but I would rather have it. Where there is gifts, they'll fail. Where there is gifts, they'll bring confusion. Where there is gifts, they can be questioned. But where there is love, it is perfect. That's right. And if you had perfect love you'd have perfect gifts. That's right. So work first with love. That brings fellowship, and fellowship brings gifts.
